To

The Secretary to the Hon'ble
the Resident in Mysore,
Bangalore.

Sir,

I have the honour to forward herewith an application from the Correspondent, R.B.A.N.M's High School, for a grant towards the cost of certain articles of furniture required for the school. There has been a large increase in the strength of the school, and the additional furniture is necessary.

The total estimated cost amounts to Rs.530, and I recommend that, under Rule 50 of the Grant-in-Aid Code for Indian Schools, a half grant of Rs.265 or one half of the actual cost, whichever is less, may be sanctioned. From the items of furniture proposed to be purchased, I have deleted the item " Counter for Fee Collections, etc.," to cost Rs.80, as there seems to be no urgent necessity for it.

The amount will be met from the allotment under "Account II. Education - B. Secondary - Direct Grants to Non-Government Secondary Schools - Building and Furniture Grants" in the current year's Mysore Assigned Tract budget.

I have the honour to be,
Sir,
Your most obedient servant,

M.S.H. Thompson 26/5

Copy of letter No.1447, dated 2-11-1944, from the Correspondent, R.B.A.N.M's High School, Bangalore.

I have the honour to bring it to your kind notice that with the increase in strength of the R.B.A.N.M's High School there is a serious shortage of furniture for the classes. As it is there is not a single bench or desk left in the hall and whenever the hall has to be used for examinations, school union meetings, and other purposes the benches and desks from the classes have to be taken over to the hall and taken back to the classes next day. This causes very great inconvenience and also shortens the life of the furniture. Even in some of the classes there are not enough of desks particularly in the Primary Department.

There is a likelihood of the strength of the school increasing next year. As such provision will have to made for at least 30 benches and 30 desks which will cost about Rs.1,500/-. I request that a substantial grant may kindly be made during the current year towards the cost of the furniture to enable us to proceed with the work immediately.
